The EU type-examination certificate refers to the above mentioned product. This is to certify that the product complies with the essential health and safety requirements of Annex II of the Regulation 2016/425/EU. This certificate does not imply assessment of the series-production of the product and does not permit the use of a TÜV Rheinland mark of conformity. The certificate holder is entitled to use this certificate in connection with the declaration of conformity in accordance with Annex IX. The certificate is valid up to the date of validity provided that the test specifications and construction of the product remain unchanged during the period of validity. This certificate shall only be used in conjunction with one of the conformity assessment procedures referred to in point (c) of Article 19 of the Regulation.
